CHALLENGE

MARKET GAP

Ready to eat meals continue to be consumer driven and we want to expand our footprint across Canada.

COSTS

Loss of sales by not offering our products across entire North American market.

FINANCIALS

Customers want something that's healthy and delivered right to their home or office. Urban and rural.

CUSTOMERS

Dining in is becoming more popular than dining out. Boomers, as well as millennials, increasingly prefer staying at home and cooking or ordering in rather than spending money at restaurants

GROWTH

The global online food delivery market size was valued at USD \$152 billion in 2021 and is expected to expand at a CAGR of 10.98% during the forecast period, reaching USD \$284 billion by 2027.

SOLUTION

CLOSE THE GAP

Increase production through opening of additional food prep operations.

REVENUE BENEFITS

Increase our footprint and gain traction as a brand in new markets.

TARGET AUDIENCE

Millennials through to boomers. Everyone eats!

EASY TO USE

Heat and Eat. That simple. And quality food. That's key.

PRODUCT OVERVIEW
